## Quick Overview

The VIA VAB-600 Springboard Kit combines an ultra-compact VIA VAB-600 Pico-ITX board with an I/O extender card, A/C adaptor, and COM and USB cables, to provide a comprehensive package for developing and building the next generation of innovative connected hardware devices.

The VIA VAB-600 Springboard Kit comes with the following items:

- [VIA VAB-600 board \(/via-vab-600.html\)](#)
- [VIA VAB-600-A I/O extender card \(/via-vab-600a-extender-card.html\)](#)
- A/C adaptor
- 1 x COM cable
- 1 x USB 2.0 cable
- 3 year longevity
- 6 month warrantee
