- **Due to cumbersome [recycling regulations in the EU](#) we do not sell to end users in EU countries.** Business users must enter their VAT ID, and register with recycling organizations in all countries they sell to.
- **Switzerland is NOT a EU country !!! You will have to pay import VAT and possibly duty, as well as customs handling fees. This will be collected by customs, the postal service or courier company.**
- **DDU term = Delivered Duty / VAT Unpaid.**
- Payment by bank transfer or PayPal.
- [How to order from PC Engines](#)
- All orders are subject to [PC Engines terms & conditions](#).

**Inventory as of 12/2/2016**                    1 USD = 0.936 EUR, 1.01 CHF
